

HISTORICON™

Historical Miniature Gaming's Biggest Summer Vacation! **2008**

THE EXHIBITOR DIRECTORY

This year there will be over 90 exhibitors attending, with many more companies having their products represented by those below. Besides the Expo Center filled with exhibitors, there will once again be an 'Exhibitor Annex' in the Club Room under the Golf Pro Shop, adjacent to the Expo Center (signs will be posted!)

Here's the alphabetic list of the exhibitors attending along with their current contact info and the major products they carry or services they provide. Simply print this out and use it to note which ones you to visit for your hobby shopping needs, and then when you arrive at the convention consult the onsite program for the maps showing the location of their booths.
